Re: *Catahan et al v. Eco Community Cleaners Inc. et al*, 20 CV 1749 (SHS) (KHP)

Your Honor:

This firm represents the plaintiff in the above-referenced action. The plaintiff moves to adjourn the motion hearing scheduled for February 28, 2024. There has been no such prior motion. The motion pertains to four defendant corporations unrepresented by counsel.

The Court may recall that I appeared in this action last September. I sincerely apologize to the Court that, primarily because of a computer problem but also my unfamiliarity with some of the procedural history of this action I have learned is required to be recounted in the proposed clerk's certificates of default, it took longer than I expected to prepare the affirmations and clerk's certificates of default, a problem unfortunately exacerbated by having two other appearances scheduled for this week. I ask for an extension of time to March 1, 2024, to serve the papers pursuant to the two January 29, 2024, orders, and that the hearing be adjourned to a date as soon thereafter as the Court is available and that allows sufficient notice to the defendants.

I thank the Court for its time and consideration.
